Crookedness Unearthed in War Risk Bureau by Congress Totals Millions.

Maimed soldiers have been swindled by the thousands, millions of dled by the thousands, millions of of which Major Harfy Gessford, dollars have been thrown away in superintendent of police, is chairman. overpayment of soldiers' allotments, and other millions have been wasted Public Vehicles Committee of the on at least 8,000 surplus employes for whom no work could be found, drivers and hackers. Major Gessford according to an investigation of agreed to have every backer who the Bureau of War Risk Insurance, now being conducted by a Congressional committee. MAY SURPASS SHIP SCANDAL.

"The revelations of graft, waste scandal bared in the United tSates
Shipping Board operations." said
Congressman J. T. Begg, of Onio, ranking member of the co.nmittee. An idea of the stupendous business done by the War Risk Insurance Bucan be gained when it is realized that it has handled a total of insurance 1,640,040 policies, covering o the total amount of \$40,331,640,000.

CALLS FRAUD WHOLESALE. "It is difficult to speak calmly of he cases of wholesale fraud dis- wet, see that skid chains are on rear covered in the bureau," said Mr. Begg, wheels. when thousands of one-legged, onearmed and blinded soldiers were kept waiting for weeks in ante-rooms. finally to be button-holed with the suggestion from one insurance examiner or another that his claim for insurance was worthless, but he would 'see what he could do for him' if the insured would give him half turning corners; and when passing the premium received.

"Many a poor fellow submitted to this outrageous extortion rather teen feet of any street car going in "Danger," "One Way S than lose all hope of collecting his the same direction that has stopped Quiet," "School," etc. insurance. Such practices are reath the dignity of a common thief, eleven men who were indicted in fore a jury, they will receive pun-ishment calculated to discourage such practices.

\$11,000,000 IN OVERPAYMENTS. "Testimony given by R. G. Cholmeley-Jones, director of the bureau, and heads of various departments before the committee revealed the fact that at one time the bureau employed a total of 17,000 persons. At he same time the head of one large branch of the work admitted there was only work enough to keep his employes busy eelven days out of every twenty-six.

"It is impossible to estimate what the loss was on surplus employes, but when it is remembered that were paid an average of \$1,500 apiece it is clear that the loss runs into it is estmated.

"In addition to this, the loss has already been discovered of \$11,000-100 in overpayments of allotments. This was due in large part to the District Government, an effort the District Government and the bound that I of the Spanish the Observatory Circle which is a step to the Spanish the Observatory Confidence nany millions.

in the outlying sections of the war risk scandal. He is expected to arrive in Washington monday and to call for resumption of hearings.

Discovery of frauds practiced on maimed soldiers in the Bureau of War Risk Insurance was first made on July 29 last. On that date three examiners were arrested and held in \$10,000 bail. They are William F. Salisbury, of Buffalo, N. Y.; Patrick O'Brien, of Des Moines, Iowa, and David Griswold, of Brooklyn, N. Y. Later George W. Seitz, of Washington, and Alexander Young, of Washington, and Alexander Young, of Washington, were arrested and held for the grand jury on similar charges. These men have not yet been tried.

The frauds came to light when a property was sold for its buildings. This property was this would answer any criticism for bought done acre, and on condemnation proceedings recentage washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that would make an ideal spot for the reform washington, he asserts, that would make an ideal spot for the reform Washington, he asserts, that wou The frauds came to light when a maimed soldier from Arizona appealed to Senator Ashurst, of that State for protection against war risk employes who were trying to rob him of the greater part of his compensa-

WOUNDED MEN Safety Code for Taxi Drivers and Hackers Indorsed by Gessford

"Help save a life" is the keynote of a "safety code" which will be in the hands of every taxicab driver and public hacker in in-law. Quiror Harlan, 707 Shephere Washington Monday. . The circular will contain rules for safe street northwest. Interment was in driving, which all hackers will be required to pledge themselves

committee of representatives of the or is about to stop to take on or let taxicab companies and adopted by the District of Columbia Safety Council.

Jack J. Boobar, president of the Kiwanis Club and chairman of the council, will be in charge of the disribution of the circulars to the ecured a license read and sign one of the pledges.

The text of the circular follows: HELP SAVE A LIFE.

Observe strictly the following rules for safe driving, and you will avoid and inefficiency in our report will for safe driving, and you will avoid equal, if they do not, surpass the accidents and damage to persons and is punishable as manslaughter, and

in all cases of accidents drivers are charged with the duty of stopping and rendering all possible assistance. Before leaving the garage examine your car and see that the brakes and

steering gear are properly adjusted to suit you. If raining or snowing or streets are

WHEN DRIVING: Enter and leave the garage slowly. At street intersections always give the vehicle on the right the right of way, and all others, if necessary.

Slow down and exercise great care

at street intersections; and when

Do not pass or approach within fif-

Never change the direction of your vehicle without giving a definite signal to indicate your movement. Do not back your car without first

looking behind you. Never stop your car suddenly or without giving a signal. Never cross a steam railroad track without first coming to a full stop. Do not pass to the right of a vehicle going in the same direction. Do not pass another vehicle unless the road ahead is clear.

Look where you are driving and keep your eyes to the front. Look out for persons dodging from behind a street car or vehicle which is standing or which may be approach-Look out for the "jay walker" or children playing in the streets. You will find them where least expected. Brown.

Look out for children nanging on the rear of cars ahead of you. Look out for children at play on the curb. They can start quicker than you can atop. Do not permit children to steal

rides or hang on your car. Took out for perestrians who try to cross ahead of you after you have received traffice officer's signal to go

Keep your winishield open for a lear vision in rain or snow. Set emergency brake and turn front wheels to curb in such manner as to block car when parking on an incline. See that your lights are properly lighted at night. Observe all yellow traffic signs:
